2024 Sauvignon Blanc
PASO ROBLES

The Wine

The 2024 Vina Robles Sauvignon Blanc showcases a vibrant expression of Paso Robles fruit, with a notable shift toward tropical character in this vintage. Crafted to highlight freshness and varietal purity, this wine delivers a lively, fruit-forward profile with brilliant acidity and aromatic lift.

Varietal Composition

100% Sauvignon Blanc

Vintage Notes

The 2024 growing season in Paso Robles featured moderate weather patterns with a long, steady ripening period, allowing for balanced fruit development. Cooler evenings helped preserve natural acidity, while warm days promoted optimal flavor concentration—perfect conditions for a clean, expressive Sauvignon Blanc.

Vineyard Notes

Sourced exclusively from our Jardine Vineyard, located on the east side of Paso Robles, where warm days and well-drained soils produce Sauvignon Blanc with intense fruit character and bright structure.

Winemaking

Grapes were harvested in the early morning to preserve freshness, then whole cluster pressed directly into stainless steel for a slow, cool fermentation. No malolactic fermentation was conducted, ensuring a crisp, clean mouthfeel and emphasizing the vibrant tropical and floral aromatics.

Tasting Notes

The 2024 Sauvignon Blanc opens with lifted aromas of ripe pineapple, citrus blossom, and dried mango, offering a vibrant tropical bouquet that hints at the richness to come. On the palate, layers of honeydew melon and juicy lychee unfold alongside subtle herbal notes of Thai basil, adding a fresh and exotic complexity. The midpalate is plush and concentrated with tropical fruit flavors, balanced by a streak of lively acidity that drives the wine to a crisp, refreshing finish.
