VINA ROBLES

2025 Light Rosé

SONOMA CARNEROS

The Wine

Bright, delicate, and naturally lower in alcohol, the 2025 Light Rosé offers a fresh expression of Pinot Noir at just 9% ABV. Harvested specifically to create a lighter style from the vineyard forward, the wine balances vibrant fruit and floral aromatics with crisp acidity and a clean, refreshing finish. Made light from the start, it delivers freshness and flavor without sacrificing character.

Varietal Composition

100% Pinot Noir

Vintage Notes

The 2025 growing season in Los Carneros benefited from the region's cool, maritime climate and persistent influence from San Pablo Bay. Moderate temperatures supported gradual ripening, allowing Pinot Noir to develop delicate fruit and aromatic character while retaining the bright natural acidity particularly well suited to a fresh, lower-alcohol rosé.

Vineyard Notes

Sourced from a single vineyard in Los Carneros, where cool temperatures, persistent breezes, and coastal influence provide ideal conditions for Pinot Noir. The fruit was harvested earlier and at lower Brix than it would be for a traditional Pinot Noir, capturing freshness, vibrant acidity, and delicate aromatics while naturally resulting in lower alcohol after fermentation.

Winemaking

The Pinot Noir was harvested early at lower Brix and gently whole-cluster pressed into stainless steel tanks. Fermentation occurred with native yeast naturally present on the fruit, allowing the wine to reach 9% ABV without dealcoholization. No alcohol was removed after fermentation, and no sugar or flavor-masking additives were used. The wine was finished simply with sulfur dioxide to preserve its freshness, purity, and quality.

Tasting Notes

The 2025 Light Rosé opens with lifted aromas of tangerine, kiwi, lychee, and hibiscus, complemented by fresh notes of cucumber melon. Light and crisp on the palate, bright citrus and delicate fruit are joined by a subtle candy-like note and a refreshing touch of sea salt. Vibrant acidity carries through to a clean, mouthwatering finish, making this a fresh and expressive take on lower-alcohol rosé.

Brix At Harvest	18.0°
Total Acidity	7.6 G/L
Ph	3.35
Alc	9.0%
